"Any county resident may obtain a dog license by making oral or written application to the treasurer, accompanied by the amount of license tax and a current certificate of vaccination showing that the dog has been vaccinated or inoculated against rabies by a currently licensed veterinarian or currently licensed veterinarian technician who was under the immediate and direct supervision of a licensed veterinarian on the premises."

"The treasurer shall only have authority to license dogs of resident owners and may require information to this effect from any applicant. Upon receipt of proper application and current certificate of rabies vaccination, the treasurer shall issue a license tag and a license receipt to the applicant."

"Dog license receipts shall be preserved by the licensees and exhibited promptly on request by any animal warden or other officer. The dog's owner shall securely fasten the license tag and the current rabies tag to a substantial collar worn by such dog."

"It shall be unlawful for the owner to permit any dog four months old or over to be off his premises without a current license and rabies tag. The dog's owner may remove the collar and tags required by this section:

- (1) When the dog is competing in a dog show;
- (2) When the dog has a skin condition which would be exacerbated by the wearing of a collar;
- (3) When the dog is confined; or
- (4) When the dog is under the immediate control of its owner."

"If a dog license tag is lost, destroyed or stolen, the owner shall immediately apply to the treasurer for a duplicate license tag, presenting the original license receipt. Upon affidavit of the owner before the treasurer that the original license tag has been lost, destroyed or stolen, the treasurer shall issue a duplicate license tag which the owner shall immediately fasten to the dog's collar." The treasurer shall endorse the duplicate's number and the date issued on the original license receipt."
