

Outdoor Scavenger Hunt

Use your own backyard to find items to fit each category. Take a photo of each. Don't have a phone? Just make a list. Children can draw the items after the hunt. This can be done by all ages and disabilities. (Yes adults, you can play too.) Can't leave your home? What can you spot from your windows and doors?

Find one item for each of the following colors:

- White
- Yellow
- Blue
- Red
- Green
- Black
- Brown
- Orange
- Purple
- Pink
- Grey

For more of a challenge, find one item for each letter of the alphabet.

Have fun and stay safe. #socialdistancing
