

Chesterfield Cooperative Extension offers a variety of programs including gardening and lawn care advice, nutrition education, educational workshops and seminars, plant disease/weed and insect identification, youth camps and clubs, school enrichment programming, and more. Please visit our website for details about these programs or how to get involved: [www.chesterfield.gov/429/Cooperative-Extension](http://www.chesterfield.gov/429/Cooperative-Extension)

The Chesterfield Cooperative Extension Service office is located adjacent to the Central Library:  
9501 Lori Road  
Chesterfield, VA 23832

Contact the staff Monday – Friday, 8 a.m.-4:30 p.m., at 804-751-4401, [vce@chesterfield.gov](mailto:vce@chesterfield.gov)

Stay connected with your local Cooperative Extension

## Virtual Help Desk (VHD)

- Questions about gardening & landscaping?
- Curious about backyard chickens?
- Thinking about beekeeping?

All these questions and more can be submitted through our Master Gardeners Virtual Help Desk. You may attach photos or a short video to illustrate your question; review guidance on submitting your photo to the Plant Disease Clinic.

If additional analysis is needed, we provide contactless drop-off for clients to bring in samples to our plant pathology lab.

## 4-H Youth Development

The new 4-H Club year begins in October. Interested in learning about the different clubs provided in Chesterfield?
