

EEO Utilization Report

Organization Information

Name: Chesterfield County Police Department

City: Chesterfield

State: VA

Zip: 23832

Type: County/Municipal Law Enforcement

Step 1: Introductory Information

Policy Statement:

Discrimination on the basis of race, color, religion, national origin, political affiliation, sex (to include pregnancy, gender identification, and sexual orientation), age (40 or older) or disability in all aspects of employment, such as hiring, promotion, discharge, pay, benefits, classification, referral, and job training is prohibited by federal and state law, and county or department policy.

Step 4b: Narrative of Interpretation

In reviewing the Utilization Analysis Chart, the Personnel Division of the Chesterfield County Police Department observed that the following categories were underutilized by two or more standard deviations:

1. Protective Services: Sworn Officials: White females (-10%) and Black or African American females (-12%)
2. Protective Services: Sworn Patrol Officers: Hispanic or Latino males (-6%), Black or African American males (-9%), White females (-13%), Hispanic or Latino females (-3%), Black or African American females (-6%) and Asian females (-2%)
3. Administrative support: White males (-22%)

The Chesterfield County Police Department is committed to diversity in hiring and achieving a police department that is reflective of the community. The department will continually review and revise our Recruitment Plan to improve our underutilized categories.

Step 5: Objectives and Steps

1. Objective 1 To ensure recruitment is unbiased

a. This department has a policy prohibiting employment discrimination. To encourage minority and females to apply, the department has two permanently assigned recruiters and two part-time recruiters who are supervised by one sergeant. These assignments were made to boost our recruitment efforts. It is our practice to: recruit at historically black colleges and universities and minority places of worship; participate in TAP programs at regional military bases; identify womens organizations and colleges and universities that have a substantial enrollment of women and minorities to present recruitment programs and attend recruiting events; participate in minority career fairs and multicultural community events, such as Asian Chamber of Commerce Legislative Session recruiting event and the Hispanic Chamber of Commerce Que Pasa Festival; and maintain relationships with minority organizations to inform them of current job openings.

2. Objective 2 To ensure there are no barriers to applicants

a. All positions available within Chesterfield County government, including the police department, are advertised on the county's website www.chesterfield.gov, as well as the Virginia Employment Commission. All applications for the Chesterfield County Police Department must be submitted through the online applications process. The department and county do not prohibit any individual from applying through the online application process. The department will continue to review, evaluate, and modify the application process to ensure all barriers are eliminated.

3. Objective 3 To ensure all applicants have an equal opportunity to apply

a. For civilian positions, an application is submitted online and received by county human resources. The full application is provided to the police department for review. Top candidates are referred for interviews. The most qualified is offered employment.

For sworn positions, an application is submitted online and received by county human resources. All qualified applicants are invited to a session for a written exam, physical test, and background screening. If they pass testing, background, criminal history and polygraph, they are interviewed. If approved, they received a medical and psychological evaluation. Upon successful completion and approval by the chief of police, they are offered employment.

Strong efforts to recruit minorities continue. We survey all test applicants to determine successful recruitment strategies. Exit interviews provide feedback on how employment practices affect recruitment and retention of minority and female officers.

Step 6: Internal Dissemination

1. Post a copy or link of the EEOP Utilization Report on the police department's intranet site.
2. Have copies of the EEOP Utilization Report available upon request in the Police Personnel Division office.
3. Send an email to all police department employees notifying them that the EEOP Utilization Report will be available for review on the department's intranet site and is available upon request in the Police Personnel Division office.
4. Provide a copy of the EEOP Utilization Report to each bureau/division within the department for placement on individual bureau/division bulletin boards.
