

Chesterfield County Automated Inspection Scheduling System

Call 804-751-4444

Available 24 hours a day, seven days a week. Call by 11:59 PM for next business day inspection. When a holiday occurs, please check our website for the schedule.
www.chesterfield.gov/bi

Services are available 24 hours a day to:

- Schedule inspections, up to five business days in advance
- Cancel inspections, if done by 11:59 PM of previous day
- Retrieve inspection results

Before calling you will need:

- Permit Number

Inspection Codes: See table on the left.

***To schedule Final inspections for Environmental Engineering, Health and Utilities or Fire inspections, call the numbers below.**

Environmental Engineering – 804-748-1035

Fire – 804-748-1489

Health – 804-748-1610

Utilities – 804-748-1271

The voice prompt sequence is as follows:

- Press 1 to schedule an inspection
- Press 2 to cancel or reschedule an inspection
- Press 3 to obtain inspection results
- Press 0 to speak to department staff
- Press * to get general information
- Press 9 to repeat options

NOTE: Re-inspection fees may be charged for third and subsequent inspections of the same type. Not Ready fees may be charged if the work for the requested inspection is not ready for inspection. All permits expire six (6) months after the last activity. Applicants will be notified prior to expiration so that they may either extend the permit or schedule the appropriate inspection.
